INTERNATIONAL MAIL ART EXHIBITION „ALBA IULIA - history and multiculturalism”

Alba Iulia 2018

theme: „ALBA IULIA - history and multiculturalism”

2018 represent a special year for the modern history of Romania, 100 years since the Great Union of Romania's historical provinces (1918). The Centenary is a huge celebration from all points of view, including the cultural-artistic aspect, and offer a perspective about the multiculturalism in our country. We would like to propose a MAIL ART exhibition dedicated to this event and specially to ALBA IULIA, the second capital of Romania where the historical act was performed in 1918. The Mail Art has become a tradition that has conquered the world since the 1970s and still offers to the artists the opportunity to participate in international exhibition in an easily accessible form, beyond any geographic or political constraints. We also want to contribute to this phenomenon through this new project involving artists from at least 100 countries around the world. This is an invitation to the artists from all over the world to send works on the proposed topic.
