INTERNATIONAL MAIL ART EXHIBITION
"Centenary of the Coronation"
Alba Iulia – 2022

2022 represents a special year for the modern history of Romania, the Centenary of the Coronation of King Ferdinand I and Queen Maria.

On October 15th, 1922, one of the most important symbolic moments in the history of Romania took place in Alba Iulia. King Ferdinand I and Queen Maria were crowned as sovereigns of all Romanians. Alba Iulia was chosen as the city of the coronation due to its overwhelming symbolic importance for the history of the Romanians, because this city was the place where the Union of Transylvania with Romania was proclaimed on December 1st, 1918.

We propose to organize a MAIL ART exhibition dedicated to this event and we launch the invitation to artists from all over the world to send works on the proposed topic.

The exhibition will take place in October 2022 at the National Museum of the Union in Alba Iulia.

Mail art has become a worldwide tradition since the 1970s and continues to offer artists the opportunity to participate in an international exhibition in an easily accessible way, beyond any geographical or political limitation. We want to contribute to this phenomenon through this new project that will include participating artists from around the world .
