REGULATIONS

On the participation to the IIIrd edition of the **Intercontinental Biennial of Small Graphics "Inter-Art" Aiud** September 24 - 26, 2010

The "Inter-Art" Foundation and the „Liviu Rebreanu” Cultural Center Aiud are organising in 2010 the third edition of the "Inter-Art" Intercontinental Biennial of Small Graphics, in Aiud.

The Biennial inaugurates a new tradition in Aiud, so as to illustrate its title of CITY OF ARTS. Furthermore, this Biennial is one of its kind, if we think about what **intercontinental** means, as the organizers are counting on the participation of artists from all the continents and decided to break down the event into four segments representing four geographical areas, comprising all the continents: Europe, North and South America, Asia, Africa and Oceania. Four exhibitions will be organised in four different locations in September 24 - 26, 2010.
